ORDERING APP

Ordering App can be installed on any Android Phone with OS Version 4.2 or above and Display size 3.5 inch or above

Ordering APP can be installed in multiple phones free of charge. Limitations of Wi-fi Network will decide the number of phones that can be supported

In the Ordering App

- o Items can be selected through code / Name / Department Search
- o Items can be selected through images
- o Order can be sent for KOT printing
- o Tables can be Merged
- o KOT can be moved to Bill

Orders sent from the APP will be recorded in TRACKER ULTRA AND KOT/BILL printed in the appropriate printer

ADDITIONAL WIFI PRINTERS

Tracker Ultra supports 4 additional Wifi printers for printing KOT. They can be provided to different Kitchens. KOT will be printed on the respective printers based on the setting made for each item in the machine.
